CUSTOMER AGREES TO ABIDE BY ALL TERMS AND CONDITIONS SET FORTH ON THE FOLLOWING PAGE(S) DURING THE TERM OF THIS AGREEMENT.

USE AND OWNERSHIP OF DATA; DATA QUALITY AND FORMAT

The Services may relate to obtaining and providing different types of data. “Raw Data” means land data, field boundaries, images, yield data, lab results, soil and tissue samples, agronomic data, information or data that you or your agents provide to Helena, and data generated by any devices used over, under or on the property upon which you operate; provided, however, Raw Data shall not include any information that is either publicly available or capable of being obtained from a third party source without such third party source violating its obligations of confidentiality. You are the sole owner of the Raw Data. “Processed Data” may include, without limitation, features, functionality, tools, analyses, results, estimates, recommendations and other information generated, published, displayed, transmitted or made available in or by the Services other than Raw Data, whether or not related to Raw Data. As between Helena and you, Helena is the sole owner of the Processed Data and all associated technology and intellectual property rights. You hereby represent, warrant, and covenant that, for purposes of this Agreement, you have the right to collect and submit Raw Data and samples for the crops and land and to enter into this Agreement for such crops and land.

By using Services provided by, or on behalf of, Helena, you acknowledge and agree that Helena may collect, store, use and disseminate the Raw Data and the Processed Data to third parties for purposes of providing the Services, for improving the Services, and for other purposes in accordance with Helena’s Privacy Policy (as may be amended from time to time), which is incorporated by reference into, and made a part of, this Agreement. Helena’s Privacy Policy can be found at Helena’s website at <https://www.helenaagri.com/privacypolicy>. Please periodically check the website for changes to the Privacy Policy. Helena’s use, storage and dissemination of the data may continue after the termination of this Agreement. You grant Helena a nonexclusive perpetual, royalty free license to use, store and disseminate the Raw Data in accordance with this Agreement and Helena’s Privacy Policy. The terms of this paragraph shall survive termination of the Agreement.

You shall be responsible for assuring the accuracy and validity of all Raw Data by or otherwise transmitted or provided by you or by a third party on your behalf. You must notify Helena in writing of any errors or omissions in any of the input or output data within sixty (60) days of the time you became or should have become aware of such errors or omissions. All field information must be in good condition, Helena machine-readable and transmitted or provided only in such data entry formats and upon such forms Helena has previously approved, in its sole discretion.

To provide better service to you and to our other customers, Helena stores and pools Processed Data, which may contain your Raw Data, with other customers’ data, including their respective Raw Data. Your personally identifiable information is not included as part of the Raw Data or the Processed Data. Helena will not share your personally identifiable information with any customer or third party regardless of whether you allow your data to be pooled with any other customer’s data or you choose the Private Option except to the extent it is necessary to provide services to you or for other reasons set forth in Helena’s Privacy Policy.

Check the box below if you do not want your Raw Data pooled with any other customer’s data.

- Private Option:** Customer does not grant permission for Processed Data containing Customer’s Raw Data to be aggregated (pooled) with others’ data. Please be advised that there are limitations on our ability to remove your Raw Data from our system and from the pooled/aggregated data that we received prior to your request, but we will take steps to ensure that the storage of your Raw Data is promptly adjusted so that any Raw Data that you send to us after you instruct us to remove it from pooled or aggregate data is no longer included in any pooled or aggregated Processed Data.

CUSTOMER’S LIMITED RIGHT TO USE AND RESTRICTIONS ON USE

You agree the Services can only be used only for your internal use in the United States or Canada and only for the agricultural or commercial purposes normally and ordinarily associated with the use of the Services.
